Magnetic Press, United States, 2015. Hardback. Condition: New. Language: English . Brand New Book. Entering high school is tough enough as it is, but things get even more complicated when you've been bitten by a werewolf! International best-selling YA author Cornelia Funke (The Inkheart Trilogy) teams up with comic book artist and character designer extraordinaire Francisco Herrera (Spiderman's Venom, The Prodigies, Megamind) and former Disney Animator and film Director Raul Garcia (Aladdin, The Lion King, Pocahontas) to create a wild and furry world where Hollywood werewolves are real and hiding in plain view! This lavishly illustrated sketch book documents the creative process of transforming Cornelia Funke's best-selling Little Werewolf books into a brand new, exciting graphic novel series. Hundreds of sketches and color studies show the process of fleshing out the characters of the book as we discover the story of Matt, Lisa, and the incredible odds they have to face to battle an old curse.
