Zoyo Press, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Duplicity. Desire. Denial. They were doomed from the start. Ryan Howard has zero interest in the movie being filmed in Pine Harbour or the high maintenance stars staying in the cottages at the end of his lane. He s just barely holding on to the raw remains of his life and the fantasy world being concocted around him is, as far as he s concerned, a complete waste of time and energy. The one bright light in his life is an intern on the set, Holly Cresinski, and their quiet conversations at the end of the day on his back porch. Holly hates her life, too, which is entirely unfair because she s blessed beyond measure. She s at the top of her career--as film actress, Hope Creswell--and surrounded by people that mean well. But Ryan makes her laugh, and cry, and before she can find the words to explain her deception, he kisses her.
