

Love, in Theory: Ten Stories (Hardback)

Filesize: 7.63 MB

Reviews

I just started out reading this ebook. It is rally exciting throgh reading through time. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Leonie Collins)

LOVE, IN THEORY: TEN STORIES (HARDBACK)

[DOWNLOAD](#)

University of Georgia Press, United States, 2012. Hardback. Condition: New. Language: English . Brand New Book. In this funny, brainy, thoroughly engaging debut collection, an award-winning writer looks at romance through the lens of scholarly theories to illuminate love in the information age. In ten captivating and tender stories, E. J. Levy takes readers through the surprisingly erotic terrain of the intellect, offering a smart and modern take on the age-old theme of love—whether between a man and woman, a man and a man, a woman and a woman, or a mother and a child—drawing readers into tales of passion, adultery, and heartbreak. A disheartened English professor's life changes when she goes rock climbing and falls for an outdoorsman. A gay oncologist attending his sister's second wedding ponders dark matter in the universe and the ties that bind us. Three psychiatric patients, each convinced that he is Christ, give rise to a love affair in a small Minnesota town. A Brooklyn woman is thrown out of an ashram for choosing earthly love over enlightenment. A lesbian student of film learns theories of dramatic action the hard way—by falling for a married male professor. Incorporating theories from physics to film to philosophy, from Rational Choice to Thorstein Veblen's Theory of the Leisure Class, these stories movingly explore the heart and mind—shooting cupid's arrow toward a target that may never be reached.
