Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Mediterranean diet is filled with metabolism-boosting ingredients, and we all know that it is impossible to lose weight without a faster metabolism. Aside from metabolism boosters, a typical metabolism booster contains ingredients that reduce food cravings and boost satiety, hence you will consume less on the long run, which means less calories and faster weight burning. Mediterranean diet is filled with vegetables, that are packed with fiber, and moderate protein and fat, and extremely low carb. You should know that the main reason why you are not losing weight is because you consume more carb than what your body needs and when such carbs are not used up, then eventually get stored as fat, in some vital organs. A gradual replacement of your meals with Mediterranean diet will not only make you consume less carbs, it will make you lose weight, strengthen your immunity and improve your overall health. This book has been written to provide essential information on how to get the most from your Mediterranean diet, these information include the following; - The benefits of Mediterranean diets and how they effect weight loss. - How to get the most out of your Mediterranean diets by combining them with other healthy foods. - A 30 day meal plan for long term weight loss - The most delicious Mediterranean recipes you can consider right now ! If you truly want to change your life for the better, lose weight and have a healthier body then read this quick starter book and start investing in yourself now. Pick up your copy and start your Healthy Diet Now!.
