Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Moral Sanitation Realizing the success of physical sanitation, the moral worker is deeply interested in the possibility of a similar science in the moral field. His knowledge, however, of the facts of human life often makes him feel that the task is a hopeless one. It appears as if little progress is being made in the science of controlling human motives for the good of society.
