Throughout Europe there is a very different style of riding than in this country. The soldier is taught to ride in a military style, and the result is a horse that is not fit for civil use. The common error is to pull the right rein stronger than the left. This is common sense. The common error is precisely the reverse. The common error is, when you wish to turn to the right to pass the hand to the right. By this the right rein is slackened, and the left rein is tightened, across the horse's neck, and the horse is required to turn to the right when the left rein is pulled. It is to correct this common error, Table of Contents CHAPTER I; The style of riding in Europe there is a very different style of riding than in this country.
