Reviews

It is one of my personal favorite publications. It is actually really fascinating through reading through period of time. It has been printed in an extremely basic way in fact it is just after I finished reading through this ebook by which basically transformed me, change the way in my opinion.

P-47 THUNDERBOLT WITH THE USAAF IN THE MTO, ASIA AND PACIFIC

Kagero Oficyna Wydawnicza. Paperback. Condition: New. 96 pages. Dimensions: 11.0in. x 8.2in. x 0.4in. P-47 Thunderbolts service outside western Europe, in three other major theaters of World War II the Mediterranean, Asia and Pacific although perhaps not as publicized, was no less colorful and varied, which makes it an excellent subject for a photo-story. During the long campaign in Italy, Thunderbolt was the best air interdiction aircraft the Allies had; pitted against German and Italian fighters, it proved more than a match. In the Pacific, Thunderbolt easily held its own against Japanese fighters over New Guinea, and later over Japan's Home Islands. Armed with fire bombs, bazookas and other ordnance, it earned distinction as close air support aircraft during the invasion of Marianas. Also in China-Burma-India theater the P-47 excelled both as fighter and fighter-bomber, with the renowned Air Commandos, among other units. REVIEWS provides a basic history of the units involved, followed by page after page of superb period photos, many of them taking up a full page. In addition to all this eye candy, there are four full color four views, three of which are there for the decals that come with the book. These decals provide only the unique markings for each of three scales. All of the common markings and large markings (such as rudder stripes) will need to be gleaned from the kit or painted on. These include a P-47D from the 65th FS57th FG, a P-47N from the 333 FS318 FG and a P-47D from the 310 FS58th FG as shown on the book cover. The decals are superbly printed and add quite a value to the book. Those who are Thunderbolt fans will want to add this to their collection. Modeling Madness this book chooses to examine each theater as more of a general overview,...
