WINSTON OF THE PRAIRIE

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.It was a bitter night, for the frost had bound the prairie in its iron grip, although as yet there was no snow. Rancher Winston stood shivering in a little Canadian settlement in the great lonely land which runs north from the American frontier to Athabasca. There was no blink of starlight in the murky sky, and out of the great waste of grass came a stinging wind that moaned about the frame houses clustering beside the trail that led south over the limited levels to the railroad and civilization. It chilled Winston, and his furs, somewhat tattered, gave him little protection. He strode up and down, glancing expectantly into the darkness, and then across the unpaved street, where the ruts were plowed a foot deep in the prairie sod, towards the warm red glow from the windows of the wooden hotel. He knew that the rest of the outlying farmers and ranchers who had ridden in for their letters were sitting snug about the stove, but it was customary for all who sought shelter there to pay for their share of the six o'clock supper, and the half-dollar Winston had then in his pocket was required for other purposes.
