

Cotton (Paperback)

Filesize: 7.37 MB

Reviews

This is basically the greatest pdf i have got go through right up until now. It normally fails to cost excessive. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Genoveva Langworth)

Bgm Press, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.We are flesh born of flesh, yet still divine. Our parents best and worst laced like poetry along our vertebrae. Our ancestors prayers made human. Made soul. Made life. We are born of and into a community of power that has existed since the beginning of time. Cotton is a short collection of poetry that encapsulates all of these emotions through the lens of Najya A. Williams, a young, Afro Caribbean woman born and raised in Chocolate City. Hinged on three critical time periods, Cotton transcends the superficial and delves deep into wounds infected with prejudice, racism, pain, and heartache. Get settled in and stay for a while: this is only the beginning. Cotton is a refreshing collection capturing both the essence and struggle of black womanhood but marrying these experiences with new and old age experiences of race. Williams fluid but pointed words exude not just descriptions of experiences but the raw and in many cases unexposed feelings and emotions that accompany experiences of black womanhood and race. Any and all should pick up this read to not only reminisce and find a speckle of oneself sewn in each page, but also to experience and participate in the raw and needed exposure of blackness, womanhood and plain old life and how this impacts mental wellness and healthiness. A must read for all! -Lauren Carson, Executive Director/Founder Black Girls Smile Inc. Let me start off by saying that even the highest expectations I had for this book were blown out of the water. This is amazing. I was so impressed by the way you easily and expertly switch between voices and characters. There were times when I could hear the Najya I know reading...
