

Colorado Cities and Places (Classic Reprint) (Hardback)

By Unknown Author

Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Colorado Cities and Places Such extraordinary inducements to invalids and visitors of every class are made doubly attractive by reason of their accessibility in luxuriously furnished railway carriages (involving no hazard to life or limb), and the very superior hotel, livery, fishing and other accommodations provided at all the noteworthy places of resort for the enter tainment of guests - at prices incomparably more reasonable than are charged at fashionable Eastern spas. Another advantage is the Splendid triune vestibule cities aligned at convenient distances north and south along the mountain range, which afford visitors an opportunity for a few days preliminary rest and a satisfactory arrangement of plans of departure for ulterior destinations. These Cities are metropolitan in Character and represent to an equal extent the civilization, enterprise, wealth, prosperity and refinement of the more populous centers of older States. Modern-built, superbly equipped railways radiate from them to any locality the traveler wishes to reach, and all depart from and arrive in commodious union depots. A journey in their trains up and through grand canons to higher altitudes in the heart...
