When it reaches zero, you die. 1 New York Times bestselling author Iris Johansen sets her readers pulses racing once again in this relentless psychological thriller of a young woman caught in a maze of secrets and stalked by a merciless killer. The countdown begins the moment you open this riveting novel that only grows more electrifying as the pages turn, more exciting as time runs out. . . . Dont kill her. Shes no good to us dead. These words haunt Jane MacGuire after a shocking attack shatters her world in an instant. Was it a random kidnapping attempt or the countdown to something far more sinister? Who is after her and what do they want so badly theyll kill anyone in their way? Orphaned at an early age, Jane grew up the hard way, but she was given a new life, a loving family, and a chance to pursue her interest in one of the greatest archaeological finds ever unearthed. Now someone was trying to destroy that new life before it could even get started. The past is returning with...
