Ireland: A Beautiful Land, a Beautiful Culture (Paperback)

By MR Daniel O Sullivan

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The story of the people, the land and the wonderful culture of Ireland, as illustrated and told by Dublin native and New York resident Daniel O Sullivan. When I was growing up in Ireland, we used to give pennies for the poor in school every now and then. This was lunch money you d give to the teacher for the children of Biafra, Bangladesh or some other poor country ravaged by famine, floods or war. As a kid, I remember thinking how cool it would be to meet another kid from so far away, me not knowing how desperate their situation was at the time. I still think a lot about those less fortunate souls around the world, and how lucky the rest of us are. All (100 percent) of the proceeds from my little book on Ireland will go directly to UNICEF and CARE in the hope it makes a difference to those in need.
