THE TIME TRAVELLER'S GUIDE TO THE FUTURE

Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, The Time Traveller's Guide to the Future, Daemon Goodhope, This is a refined version of the I Ching, the ancient Chinese system of prediction for divining the future. First, one thinks of a question to ask. Eight cards are supplied with the book. Shuffle once and note the number. Repeat these steps once. Remove two cards, shuffle and choose again. There are now three numbers - the key to unlocking the mysteries of one's destiny. The guide is divided into eight houses - the first number tells which house the prediction can be found. At the start of each house is advice which reflects the overall philosophy of the I Ching. Each house is divided into eight situations - the second number gives one's situation. The text here tells something of the background to one's question. Lastly, and most important, is the path: in each situation there are six paths - one's path is decided by the third number. Always remember that a good path in a bad situation is better than a bad path in a good situation. The results are an easily understood forecast to the future.
