ESPACIOS EXTERIORES

[DOWNLOAD](#)

Reditar Libros, España, 2014. Encuadernación de tapa dura. Book Condition: Nuevo. 31X27cm. 492 pp. Este es un libro de arquitectura peculiar: al servicio de una ausencia. Lo que falta es el techo, y lo que llenan las fotografías son terrazas, balcones y jardines de ensueño. En sus páginas, los más inspirados arquitectos y paisajistas salen a la calle, al campo, o simplemente al aire libre para defender la tesis de que buscar cobijo no nos obliga a distanciarnos de lo que queda fuera de los muros de la casa. Bienvenidos a los jardines y terrazas; bienvenidos a la jungla contenida dentro del hogar, y al barranco de hormigón que aguarda más allá de la puerta acristalada. En un mundo en el que todo parece ser terreno edificable y se edifica, este libro establece una ventana. Y lo único que falta es asomarse a ella y respirar. Con su formato gran tamaño y su cuidada edición, presentación y fotografía a todo color, esta obra se convierte en un magnífico regalo.
