## REVIEW OF MANAGEMENT INNOVATION CREATIVITY

Intellectbase International Consortium, United States, 2008. Paperback. Book Condition: New. 246 x 175 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The review presents detailed theoretical explanations of original developments of managerial perspectives. The content is based on creative thinking, illustrated with real case studies and applied research. The manuscript involves innovative contributions, creative developments and descriptions, in a well-defined format with rich conceptual structures. The topography of management innovation is about the creative development of individual researchers engaged in creative endeavors, across a wide range of fields including: the social sciences and humanities, public policy, administration, engineering, business, education, science, technology and the arts. Also, it is intended for scholars who are interested in, and wanting to explore and develop, complex compositions and linking incongruent elements to knowledge, and integrating them conceptually on a creative scale.
