Brand New Book ***** Print on Demand *****.Have you ever wondered who you are and why you re here, have you ever pondered the existence of alien beings from distant worlds or other dimension? Are we being visited by these beings? Have you ever wondered what it would take to make something invisible? Have you ever thought it may be possible to heal your self, others, or the planet, with nothing more than a touch, a prayer, or a thought? If you have answered yes to any of these questions, you are not alone, so please continue. Within the chapters of this book I present some stories of my journey toward enlightenment. I will discuss my views on some of the topics I have been researching for over thirty years. I will discuss everything from Consciousness, Energy Healing, Extraterrestrials, Multiple Dimensions, Subtle Energies, the Power of Intent, Quantum Physics, Quantum Mechanics, Reality, Our Potential Future and much more. I hope the personal experiences I share and my views of reality, will help you to expand your understanding of what and who you really are, what you are capable of and how, together, we create our reality. Over the past fifteen...
