Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Cure of a True Cancer of the Female Breast With Mesmerism The sudden removal of a diseased mass is a very simple affair, and the production of the state of insensibility in the mesmeric state is one of the most common phenomena presented to the physiologist. But the removal of a diseased growth, a malignant tumor, not suddenly with the knife of the surgeon, but with the aid of mesmerism, so acting on the inherent powers of the constitution as to produce a steady and progressive absorption, -this is a phenomenon which has not been witnessed on any former occasion, and certainly demands the most serious consideration of the medical profession. Can any surgeon refer to a single example of tumor of the breast like the one under consideration, which steadily progressed, either with or without medicine, toward a perfect cure? Here was a tumor, carefully examined and unanimously doomed to extirpation by several practical surgeons, and the fact of their doing so, clearly proved that they knew of no other plan by which the diseased mass could be removed. Nevertheless...
