

Be Happy or I ll Scream!: My Deranged Quest for the Perfect Husband, Family, and Life

Filesize: 9.51 MB

Reviews

The publication is great and fantastic. I actually have read through and i am sure that i am going to planning to go through yet again yet again down the road. I realized this pdf from my dad and i encouraged this publication to understand.

GRIFFIN, United States, 2007. Paperback. Book Condition: New. Reprint. 208 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. Be Happy or I ll Scream is for every married woman who has found just the tiniest bit of disconnect between the image of a perfect family in her head-think The Brady Bunch or The Huxtables -and the evidence in front of her eyes. Instead of darling and compliant rosy-cheeked children and an adorably tolerant husband ready to go along with zany shenanigans, most women are faced with: kids who view family outings with all the enthusiasm of hardened inmates forced to bust rocks in roadside Alabama and a man who would trade every last one of her kooky ideas for a just a teeny little bit more sex and a hot meal on the table at six. Sheri Lynch, co-cost of radio s syndicated Bob Sheri, is a superb humorist of modern marriage, mores, and motherhood. Her Hello, My Name Is Mommy decoded the pitfalls of pregnancy and trials of new motherhood. Be Happy or I ll Scream taps into the wackier, even more wonderful world of family and husband management, kid-raising, and sanity maintenance in the face of it all. Her take on what life is really like inside a marriage-as opposed to what it looks like on the holiday card version of same-will ring both wacky and true to any woman who was ever foolish enough to dream of the perfect marriage and family.
