Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Synopsis of the story: The story is focused mostly on the good and bad experiences I went through while working inside the Oil Industry during the Government of President Hugo Chavez Frias. I portrayed the enthusiasm and the excitement I had when I began working as an Administrator of a private joint venture between an overseas company and The Venezuelan Oil state owned Enterprise. I also show the fading of my dream as a professional due to the political influence of the government. It is a very interesting story mostly for those young recent graduates who have a dream of becoming an Oil executive as my dream was.
