AUTHORHOUSE, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Teenage Love chronicles moments of my experience around Teenage love, which explores the diverse trials and triumphs typically associated with becoming a mother during adolescence. By having a son by the age of seventeen years, spoiled my dreams of playing basketball, softball, and going to a college of my choice. As time passed I divided my time between raising my son and navigating through my own dreams for the future. In Teenage Love I recount impressions of a move to Georgia and my mother s passing. Teenage Love is designed to mark phases of my own journey as well as to enlighten and motivate the reader who may be following a similar path.
