CONSTANCE SHERWOOD, VOL. 1 OF 2: AN AUTOBIOGRAPHY OF THE SIXTEENTH CENTURY (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Constance Sherwood, Vol. 1 of 2: An Autobiography of the Sixteenth Century I had not thought to write the story of my life; but the wishes of those who have at all times more right to command than occasion to entreat aught at my hands, have in a manner compelled me thereunto. The divers trials and the unlooked-for comforts which have come to my lot during the years that I have been tossed to and fro on this uneasy sea the world have wrought in my soul an exceeding sense of the goodness of God, and an insight into the meaning of the sentence in Holy Writ which saith, His ways are not as our ways, nor His thoughts like unto our thoughts. And this puts me in mind that there are sayings which are in every one's mouth, and therefore not to be lightly gainsayed, which nevertheless do not approve themselves to my conscience as wholly just and true. Of these is the common adage, That misfortunes come not alone. For my own part, I have found that when a cross has been laid on me, it has mostly been a single one and that other scorns were oftentimes removed as if to make room for it. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [This book is a reproduction of an important historical work.
