You are worrying about things, which aren t happening for many months. You must let your mind rest and take ease that our daughter has many happy years ahead of her. You say that no hand played in our meeting, but I believe you are too quick to brush off the one belonging to fate. If our daughter is truly unhappy with the match, then we shall see to end the agreement, but until then, how are we to know whether or not this has been fate s plan all along?
