This pdf is definitely worth getting. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

From the 2016 recipient of the Astrid Lindgren award and author of international bestseller *How I Live Now*, National Book Award finalist *Picture Me Gone*, and most recently *Jonathan Unleashed* Finn was a beautiful orphan. H was a prep school misfit. On a September afternoon many years ago they met on a beach on the coast of England, near the ancient fisherman s hut Finn was squatting in with his woodstove, a case of books, a striped blanket and a cat. H insinuates his way into Finn s life--his blazing wood fires and fishing expeditions. Their friendship deepens, offering H the freedom and human connection that has always eluded him. But all too soon the idyll of their relationship is shaken by a heart-wrenching scandal. *What I Was* is the unforgettable story of H at the end of his life looking back on this friendship, which has shaped and obsessed him for nearly a century.
