TOUCHING STONES (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Sketchbooks go with the artist wherever she travels. They become a visual journal of each adventure, culture and architecture. All art is abstract in a sense, so writing figurative poetry fits well with the creator's temperament. My voice is heard through these sketches and poems.
