Paperback. Condition: New. 234 pages. Read My Lips burst on the scene in 1997 without precedent. It was unique, radical, endearing, outrageous, and very funny. It stood the orthodox academic and medical theories about transsexuals on their heads. At last, a trans-intellectual built a theoretical foundation of transgenderism in accessible language, and, most importantly, laid out the tools to fight back against gender oppression. Now re-published as a canon of trans-writing a book that has influenced queer academics and genderqueer folk everywhere for more than fifteen years its message remains radical. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
