

A Caring World: The New Social Policy Agenda (Paperback)

By Oecd

Organization for Economic Co-operation and Development (OECD), France, 1999. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A new vision of the purpose of social policy is needed. Scaremongers present decision-makers as facing an overwhelming number of complex problems with more and more limited budgets. Society is indeed undergoing profound upheaval. Ageing populations are increasing pressure on the workforce. Changes in the labour market have hit low-skilled workers hard; the term social exclusion has entered the political lexicon, and policies can no longer be based on traditional family life. But social policy should not be presented as papering over the cracks in society caused by economic and demographic change. As knowledge plays an increasing role in generating wealth, empowering individuals to develop their potential is a central and essential part of economic policy. Indeed, economic and social policies are more intertwined than ever. This book paints a complete and accessible picture of the current situation and pinpoints how policies can be reformed. Social policy should aim to promote employment and healthy living, rather than just coping with joblessness and ill-health. Investing in children and families helps ensure that all can contribute fully to society. Innovations...
