Algonquin Books. Paperback. Condition: New. 368 pages. Lin Enger sets out from the conventions of the traditional Western and brings the reader into new emotional territory, that of the soul of an exquisitely drawn American family. The High Divide is a novel to get lost in. James Scott, author of *The Kept* In 1886, Gretta Pope wakes up one morning to discover that her husband is gone. Ulysses Pope has left his family behind on the far edge of Minnesotas western prairie, with only the briefest of notes and no explanation for why he left or where hes heading. It doesnt take long for Grettas young sons, Eli and Danny, to set off after him, leaving Gretta no choice but to search for the boys and their father in hopes of bringing them all home. Engers breathtaking portrait of the vast plains landscape is matched by the rich expanse of his characters emotional terrain, as pivotal historical events--the bloody turmoil of expansionism, the near total demise of the bison herds, and the subjugation of the Plains Indians--blend seamlessly with the intimate story of a familys sacrifice and devotion. A masterfully told Western reinvention of Homers *Odyssey* . . . set against a backdrop of beauty and danger . . . In its narrative simplicity and emotional directness, it is reminiscent of John Fords classic *The Searchers*. Publishers Weekly, starred review Engers novel is told in beautifully exact, liquid language that wastes no time, just as one cannot afford to waste time when making a journey such as the Pope familys. Highly recommended. Library Journal, starred review A deeply moving, gripping novel . . . Layered with meaning, this remarkable novel deserves to be read more than once. The High Divide proves Engers chops as a masterful storyteller. Ann Weisgarber, author...
