Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Soulmates, many dates, and staying up late: lessons learned on how to strengthen your intimate relationship. The word is COMMITMENT. Without commitment, no relationship works. Our current generation runs from long-term commitment, which is why we have many failed relationships and a constant increase in the divorce rate. Before you enter a relationship or commit to marriage; there are steps you need to take. You have to be fully prepared. Many men today fail in their relationship because they give up so easily. They were not adequately prepared for the work that came with the commitment, and when the true test came; they failed. A failed relationship or marriage doesn't just harm you mentally; it affects you financially, spiritually, and could potentially harm you physically. Imagine commitment as a marathon. This book equips you with the proper tools needed for your race from start to finish. It gives you the proper resources needed to pull through the tough times in your journey with your partner. Develop the mental muscle, spiritual strength and the physical poise needed to have a rewarding relationship according to God's plan for God's man.
