## From Common Market to Common Democracy: A Theory of Democratic Integration (Paperback)

By Jaap Hoeksma

Wolf Legal Publishers, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. Since its foundation in 1992 the EU has been developing from an international organisation towards a European democracy. The Maastricht Treaty introduced the citizenship of the Union, while the Treaty of Amsterdam included the concept of democracy in the core values of the EU and Lisbon construed the European Union as a democracy without turning the Union into a State. This development has not been foreseen by politicians and scholars. According to the prevailing theories the EU should have become either a sovereign State of Europe or a Europe of sovereign States. The theory of democratic integration, which is presented in this monograph, replaces the outdated paradigm of the Westphalian system of international relations with the civic perspective of democracy and the rule of law. From this angle, it seems obvious that, if two or more democratic states decide to share the exercise of sovereignty in a number of fields with the view to attain common goals, the organisation they establish for this purpose should be democratic too. The theory of democratic integration allows for the development of the EU to be summarised in the...

### Reviews

*Undoubtedly, this is the best job by any article writer. This really is for all those who statte that there was not a worth reading. I am very easily can get a enjoyment of reading a published pdf.*

-- **Rowena Leannon**

*It becomes an incredible publication that we actually have at any time read. It is one of the most incredible book i actually have go through. I am just delighted to tell you that this is actually the finest pdf i actually have read through within my personal life and might be he finest publication for actually.*

-- **Prof. Hilma Robel**
