Aaliyah I m the daughter of a daemon lord of hell. And one of his best soldiers in Vegas. I ve spent my life doing his bidding and gathering souls. The more souls gathered, the greater the daemon powers. I took great pleasure in stealing a soul from beneath the nose of the damn guardian angels. That was the only life I knew, and I excelled at it. Until one day, I tried to steal a dying soul that didn t belong in hell and an angel came to stop me. In doing so, he showed me the world I knew was a lie. Micah My human life ended to save the woman I love. My reward was to become one of heaven s angels, a guardian of souls. I didn t want to leave her, but I thought eventually we d be reunited. For decades I ve waited and searched for her but never found her. Then one day, to my shock, the soul I d been sent to save was being taken by a daemon. I finally found Aaliyah, only now I have a fight before me. She has no memory of us, but I know I have to save her soul. And if I have to give up heaven to do it, so be it. We have a daemon lord to kill.
