## TEACHER WORKBOOK: CHOOSE YOU THIS DAY (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Most works of Christian apologetics begin from outside Christianity, arguing that the Bible is believable because it is consistent with knowledge independently gathered by scientists, historians, and archaeologists. Choose You This Day begins, instead, from inside Christianity. It examines how the Bible aligns with itself, and the internal logic of its assertions. Alone among the world's major religions, Christianity places sin, death, redemption and righteousness within a rational framework. Christianity alone offers a fully constructed explanation for the problem of evil, and a mechanism for both absolute justice and conditional grace. Only Christianity holds out a promise of life based on demonstrated power over life and death. Choose You This Day asks, Is there any reason to choose Christianity over all other faiths? In fact, there are many. Every other world religion is man reaching up to God; Christianity alone is God reaching out to man: the only God who loves the world so much that He sent His own Son to die for us. The Christian God is the only God who offers us grace in our weakness, forgiveness in our sin, love even when we hate and reject Him, and life when we deserve death. Christianity is like no other faith. This book will show you how.
