Brand New Book ***** Print on Demand *****.Details how the nation can bring about a fundamental change in our failed and inhumane national drug policy. Shows how the harms and perverse incentives created by drug prohibition can be eliminated through an adult use tolerant dispensary system tightly controlled against access by minors, the age group where 90 of addictions begin. Proposes a scalable, state run system, which can begin with pilot programs in selected counties whose success can be emulated in others and so spread across the country. Employ market forces to destroy the business of the pervasive drug dealers and violent traffickers; 3. End the accessibility to drugs of teens and preteens; 4. Improve health and safety in our communities; and 5. Release tax dollars (criminal justice costs) for better purposes, including education and addiction treatment. 6. Provide a solution to the opioid overdose and death epidemic by furnishing users with safely compounded drugs certified as to purity and potency. Most drug users eventually quit on their own without treatment....
