## RAINFOREST MEDICINE (PAPERBACK)

[DOWNLOAD](#)

North Atlantic Books, U.S., United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Chronicling the practices, legends, and wisdom of the vanishing traditions of the upper Amazon, this book reveals the area's indigenous peoples' approach to living in harmony with the natural world. Rainforest Medicine features in-depth essays on plant-based medicine and indigenous science from four distinct Amazonian societies: deep forest and urban, lowland rainforest and mountain. The book is illustrated with unique botanical and cultural drawings by Secoya elder and traditional healer Agustin Payaguaje and horticulturalist Thomas Y. Wang as well as by the author himself. Payaguaje shares his sincere imaginal view into the spiritual life of the Secoya; plates of petroglyphs from the sacred valley of Cotundo relate to an ancient language, and other illustrations show traditional Secoya ayahuasca symbols and indigenous origin myths. Two color sections showcase photos of the plants and people of the region, and include plates of previously unpublished full-color paintings by Pablo Cesar Amaringo (1938-2009), an acclaimed Peruvian artist renowned for his intricate, colorful depictions of his visions from drinking the entheogenic plant brew, ayahuasca (-vine of the soul- in Quechua languages). Today the once-dense mysterious rainforest realms are under assault as the indiscriminate colonial frontier of resource extraction moves across the region; as the forest disappears, the traditional human legacy of sustainable utilization of this rich ecosystem is also being buried under modern realities. With over 20 years' experience of ground-level environmental and cultural conservation, author Jonathon Miller Weisberger's commitment to preserving the fascinating, unfathomably precious relics of the indigenous legacy shines through. Chief among these treasures is the -shimmering- -golden- plant-medicine science of ayahuasca or yaje, a rainforest vine that was popularized in the 1950s by Western travelers such as William Burroughs and Alan Ginsberg. It has...
