Thirty-something Cathy and Don Angel seem to have it all. But tragedy strikes when, while driving from New York to New England on Christmas Eve, they are involved in a catastrophic accident - with no survivors. Halfway to heaven, they are visited by the angel Gabriel, who tells them both that they must perform three miracles by midnight in order to complete their journey. To do so, Cathy and Don must get inextricably involved with the lives of several desperate strangers, all afflicted with unique miseries, and all in need of divine intervention. On this dark and silent night, these six individuals will discover that as long as miracles can happen, hope will never die.
