Now working as an environmental lawyer in Chicago, she has a thriving career, a modern apartment, and her pick of meaningless one-night stands. But when a new case takes her back home to Barrens, Indiana, the life Abby painstakingly created begins to crack. Tasked with investigating Optimal Plastics, the town's economic heart, she begins to find strange connections to a decade-old scandal involving the popular Kaycee Mitchell and her friends-just before Kaycee disappeared for good.
