Cambridge University Press, Cambridge, UK, 2007. Paperback. Book Condition: New. First Edition. Thomas Webers book comprises a series of biographical reflections about people who influenced Gandhi, and those who were, in turn, influenced by him. While the previous literature has tended to focus on Gandhis political legacy, Webers book explores the spiritual, social and philosophical resonances of these relationships, and it is with these aspects of the Mahatmas life in mind, that the author selects his central protagonists. These include friends such as Henry Polak and Hermann Kallenbach, who are not as well known as those usually cited, but who left a deep impression nevertheless, and motivated some of Gandhis major life changes. Conversely, the work of luminaries such as E.F. Schumacher and Gene Sharp reveal the Mahatmas influence in arenas which are not traditionally associated with his thinking. Webers book offers new and intriguing insights into the life and thought of one of the most significant figures of the twentieth century. Contents Preface 1. Introduction 2. Gandhi influenced 3.
