Louisville, Kentucky has long been regarded as one of the most haunted cities in America with dark tales of haunted theaters, hospitals, hotels and crumbling mansions. For the first time, Robert Parker, creator of the Louisville Ghost Walks, brings many of those stories to life in the pages of this chilling book. In his first volume of strange stories, the author enthralls the reader with stories that have never appeared in print before, including tales from haunted corridors of the Brown Hotel, the decks of the famed Belle of Louisville, the upper floors of the Brennan House, the confines of the Palace Theater, the former cells of the Old City Jail and many other spots! Want to know why Louisville has gained such a reputation for being haunted? Then look no further than the pages of Haunted Louisville. This is a must-have book for every ghost hunter, no matter what part of the country they are from!.
