Schwartz & Wade, 2008. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Starred Review, Kirkus Reviews, September 1, 2008: "The scrapbook technique . . . remains fresh and lively, a great way to provide a huge amount of information in a format that invites both browsing and in-depth study." Starred Review, Booklist, September 15, 2008: "Fleming offers another standout biographical title, this time twining accounts of two lives Abraham and Mary Todd Lincoln into one fascinating whole." Starred Review, School Library Journal, October 2008: "It's hard to imagine a more engaging or well-told biography of the Lincolns." Starred Review, Horn Book Magazine, November/December 2008: "Fleming is able to compare and contrast the president with his first lady, giving us not only greater insight into each of them but also a fuller picture of the world in which they lived." Review, New York Times Book Review, November 9, 2008: "The format of 'The Lincolns' may be aimed at young readers, but, given Candace Fleming's unerring eye for the dramatic quotation (with the Lincolns, there were a lot of those), this birth-to-death biography of Mary and Abraham is hard to put down even for readers who know the story." Review, New York Times Book Review, November 16, 2008: "This dual biography is hard to put down, even if you know the story." From the Hardcover edition.
