Cross House Books, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book. Prepare, proceed, and prevail! Exploring the final frontiers of Heaven and earth takes courage, faith, and understanding-all provided within these pages. Forge ahead victoriously! The Final Frontiers-Countdown to the Final Showdown is a peer into the future and call to action. It explores the emerging cosmic involvement of the seemingly docile elements of nature and their potential to completely alter the ways of warfare. The earth as we know it is changing, Christians need to understand the dynamics of their authority and spiritual domain of influence. The power of proclamation and the elemental forces of nature-ground, sun, ancient mountains, moon, and the deep-water beneath-are divine weapons in God s arsenal, or can become instruments of satanic manipulations. The earth can either rise up against humankind, or it can be subdued in the service of God. The choice is yours. The Final Frontiers provides you with a practical approach to the changing struggles that confront humanity now and in your future. It reveals through Scriptures and modern-day experiences: * What was lost at the Fall * The elements of nature in God s service * How to defeat the devil at the mind game * Invisible realms of hell * Spiritual weaponry * Peace and the ultimate redemption In writing this book, I feel like the prophet Jeremiah, calling humanity to be alert to the ploy of the enemy, to break the secret bubble, and reveal the shapes of warfare to come. -Dr. Joe Ibojie.
