

Super Diabetic Dude: Adventure in Childhood Diabetes (Paperback)

By Chris P Cracolice

Createspace, United States, 2009. Paperback. Condition: New. Chris P Cracolice (illustrator). Language: English . Brand New Book ***** Print on Demand *****. My name is Chris Cracolice I am 53 years old and have had diabetes for 48 of those years. I remember growing up with diabetes and how it not only affected me physically but mentally as well. One of the most vivid memories I have was as any child growing up in the 60 s was watching Batman, Superman and Tarzan on TV. Of course the next day I would go outside and have my own adventures as being that Super Hero. One day I was being Tarzan and it hit me if I was out in the middle of a jungle without insulin I would die. This affected my self-esteem in many ways and still does to this day. I was not like other kids who could do things that I was not able to. For years I wanted to help other children with diabetes not have to go through this. A couple of years ago I came up with an idea of a child Super Hero with diabetes called Diabetic Dude. I have written and illustrated...

Reviews

This book might be worth a read, and superior to other. Of course, it really is engage in, still an interesting and amazing literature. It is extremely difficult to leave it before concluding, once you begin to read the book.
