Tundra Books, Canada, 2014. Hardback. Book Condition: New. Professor of Psychology Sheldon Cohen (illustrator). 30th. 272 x 242 mm. Language: English . Brand New Book. In the days of Roch's childhood, winters in the village of Ste. Justine were long. Life centered around school, church, and the hockey rink, and every boy's hero was Montreal Canadiens hockey legend Maurice Richard. Everyone wore Richard's number 9. They laced their skates like Richard. They even wore their hair like Richard. When Roch outgrows his cherished Canadiens sweater, his mother writes away for a new one. Much to Roch's horror, he is sent the blue and white sweater of the rival Toronto Maple Leafs, dreaded and hated foes to his beloved team. How can Roch face the other kids at the rink? The Hockey Sweater is a Canadian children's classic, and we are very excited to be doing an anniversary edition. It will include lots of extras, including original material from the author and illustrator, stills from the animated film, letters and quotes from celebrities and more. The design will be updated and refreshed. This will be a wonderful collector's edition for those who know the book, and a wonderful introduction to those who don't.
