Alchemy Studio LLC, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. a.PUZZLED EXISTENCE is my autobiography covering 60 years of my life, from 1950 until 2010 when it first appeared in print. This book is a factual account of everything that had an impact on my being to make me the person that I am today. I opened my first art studio in 1970 and sold a piece of metal sculpture, that was the beginning of Alchemy Studio, Inc and 43 years later it is still active as an art design studio, and a publisher of Fine Literary Works. If you would care to see more information, including artwork and credentials, please visit our web site at: / the site contains many links to various awards and honors which have been bestowed throughout the years. But getting back to a.Puzzled Existence, the title I had chosen seemed to describe the flow of my life, this book is not necessarily about my art career, or my work as an artist, it deals with all of the factors that when grouped together, made me how I am as an individual. Nothing in this book has been left to chance, I would like to say that it is 98.9 accurate in terms of facts. I found much of the earlier information in the form of small journals that I kept on those soft brown covered school notebooks, I also used love letters, calendars, (which I have saved for many years) and other sources. One of the things that you may notice in the beginning of this book, is my reference to cars.I grew up with three other brothers, we were in the trucking business after my 12TH birthday, and we raced cars, so that...
