Unyielding is like the tone of Deliverance, without the ragging river, with the forbidding desert. A desperate young, man stripped of everything except his pride, is hunted like a wild animal in an unforgiving desert by a meaner-than-a-junkyard-dog sociopath. The young man is a Jason Bourne type, with too much testosterone and too little patience for his own good. So begins the perverted game on which Shyne s life is put to stake, in an ungodly hot southwest desert. You are the deer, he s instructed, and I am the hunter. The random things turn up at desperate times, including: airplane contrails, snakes, broken bottles, an old Frisbee, mirages, a barrow cactus, coyote shit, etc. The Daymare Believer is born! But all of his contemplations only offer him a short respite, from this real life nightmare and then it s back again to his awful reality. The Daymares are woven between horrific hours of just staying alive: After many days of sweltering torture, Shyne is lead by the little coyote, to a place where he must...
