On our 20th wedding anniversary my husband had invited me to an elegant dinner. We sat in the casino-restaurant by candlelight and had already ordered our meal. I had asked for filets of milk-fed lamb, he a wiener schnitzel. He raised his glass and instead of saying: To our future happiness he looked at me intently and said: I m taking this opportunity today to tell you that I m planning to leave you. And so I d like to drink with you to the years still lying ahead of us, and which we ll be spending apart. I felt that this could only be one of his bad jokes, and gave a somewhat forced laugh.

A ghastly snippet in the life of 52-year-old Elfriede Schweiger-and an opportunity. The abandoned wife and mother of a full-grown son studies law and opens her own practice. The housewife is transformed into a career woman. But new men enter her life, and with them come new problems. On the Phone is the journal of a woman in upheaval and transition. Evelyn Grill dissects the physical and spiritual sensitivities of this woman in the prime of life, recounting moments of hope, disappointment, love, self-doubt, and megalomania. Aloof, laconic, and full of irony, Elfriede Schweiger s narrative causes a period of upheaval in her life to pass like a parade before the reader s view.
