Mola Designs: 45 Authentic Indian Designs from Panama (Paperback)

By F. W. Shaffer

Dover Publications Inc., United States, 1982. Paperback. Condition: New. Language: English . Brand New Book. Mola is the Cuna Indian word for an intricate reverse-applique needlework technique unique to this unusual, isolated tribe inhabiting the San Blas islands off the Atlantic coast of Panama. Mola motifs and methods recall the body-painting practiced by the Cuna in past centuries; today Cuna women s blouses display the colorful patchwork designs rendered here in black and white from the original pieces. The 45 folk-style designs signify themes ancient and modern: pre-Christian crosses, mermaids, dancers, animals, birds, butterflies, fish and flowers, abstracts, and repeating mazes. The introduction includes photographs of the Cuna; captions identify the motifs and give Cuna names. Designers and needleworkers will find these royalty-free designs a source of inspiration, and colorists will enjoy adding their own sense of color and tone to the illustrations.

Reviews

An exceptional pdf as well as the font employed was intriguing to read through. This is certainly for all who statte there was not a worthy of reading through. I am just delighted to inform you that here is the very best publication i actually have go through inside my very own existence and might be he finest pdf for actually.

-- **Saige Lang**

If you need to adding benefit, a must buy book. Better then never, though i am quite late in start reading this one. I discovered this publication from my i and dad advised this pdf to find out.
