Reviews

Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.
(Dr. Marvin Deckow)

THE LAND OF OPPORTUNITY FOREVER: ENERGIZING AMERICA

Booksurge Publishing, United States, 2008. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This Social-Themed Science Fiction, emphasis on Superpower ideology and the need to maintain U.S. supremacy and reserve currency status. The author let slips some alarming and yet disregarded chronic trends that stealthily disquiets the society there by potentially decelerating national progress. This book gives every kind of a reader an opportunity to select and correlate social conductions or elapsed subject matter and build a refreshing lively self debate; there by energizing qualified affirmative impulse. Emphasis of this book is both being land of opportunity forever and increasing power that emanates from the deepest values, so as to be prepared to face this age s principle challenges. However this book is an invitation to all readers to think about the social questions posed and to explore possible answers. Concerns about Family, Education reforms and Economy should be the center of all policy debates now. The future well-being of the country depends on raising a generation of skilled, competent and responsible adults. Changes in certain psychological contours seem necessary. ---- Highlights are as follows: *Value of American ways and international learning; *Hollywood versus Bollywood and it s motivating facts; *Ideology of Superpower and the need to retain it forever; *Importance of high-tech economy and world-class workforce; *Portraits, usually judged social conditions as social problems; *Unrealized link between equal opportunity and equal results; *Unequal distribution of income and resistance to globalization; *Prospects in terms of education, family and planned economics; *Sinking currency and superpower status, a contradiction in terms; *Weakening institution of American tradition and moral appearance; *Necessary of lifestyle adjustments from National prosperity reasoning; *Adopting positive aspects of Indian culture (parenting, personal savings); *Future power implies dominance in education,...
