Xulon Press, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Worship? Check. Compassion? Check. Are worship and compassion two separate experiences in your life s journey? In his book Kissing the Face of God, Dale Walker writes of the extraordinary things God does when we live a life of compassion given as an expression of worship. Using abundant and engaging examples from his own life and others , Walker shows in a practical way how acts of compassion flow out of true worship. We follow Walker as he ministers in a nursing home in New Mexico, at a Kingdom party for street people in Hong Kong, to a prostitute dying of HIV-AIDS in Zambia, and to orphans living in a cemetery in the Philippines. In this groundbreaking book, Walker guides us to look where Jesus is looking, demonstrating how to find His presence in the suffering and hurting ones - the least of these - through a worship that changes the world. Kissing the Face of God has literally changed my concept of what worship is and the unexpectedly powerful ways God can flow through it! A must-read for every worship...
