By Charles W McKay

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Telephone Rates and Values 1. Early Supervision Over Dispensation of Public Necessities. - The subject of commission control of the corporations whose function is to supply the public with light, power, water, intercommunicating and transportation facilities is one that is deservedly gaining widespread notoriety. At the time of the inauguration of the commission form of utility regulation, a comparatively few years ago, there was a reasonable doubt in the public mind as to whether the large expenditures essential to the establishment and maintenance of public service commissions could, in the long run, be justified. That this doubt has been largely, if not entirely, dispelled will not be questioned by one who has had the good fortune to live in a community where public utilities are subservient to competent commission control. The regulation of business enterprises by local or general government is not by any means a new departure, although the present form of commission control originated with the establishment of the Massachusetts Board of Railway Commissioners in the early 60 s. As early as the...
