

## Research Ethics Consultation: A Casebook

By Head Section on Ethics and Health Policy in the Department of Clinical Bioethics and Chief of the Bi, Emily Largent B.S.N., Christine Grady Ph.D.

Oxford University Press Inc, United States, 2012. Paperback. Book Condition: New. 231 x 155 mm. Language: English . Brand New Book. Interesting and important ethical questions confront researchers, regulators, institutional review boards, support personnel, and research participants committed to the ethical conduct of human subjects research at all stages of research. Questions encompass - but are not limited to - study design, enrolling participants, balancing the clinical needs of participants against the research agenda, ending trials, discharging post-trial obligations, and resolving conflicts. Straightforward solutions to these types of questions are often not found in regulations, ethics codes, or the bioethics literature. These resources may leave room for interpretation, offer conflicting guidance, or simply fail to address particular questions. Ethics consultation, which has been offered in clinical care settings with regularity since the 1980s, has since the turn of the century increasingly been sought in the clinical research context. Because there has only lately been recognition that ethics consultants can play a valuable role helping the research community conduct research in the most ethically informed way, there are many open questions in the field of research ethics consultation including the appropriate role of consultants and the best methods of consultation. The...
