By Charles Beaumont

Valancourt Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Charles Beaumont's untimely death in 1967 at age 38 cut short the brief but brilliant career of a writer now regarded as a master of modern weird fiction. The author of three extraordinary collections of short stories, the acclaimed novel *The Intruder*, and scripts for cult classic horror films and the popular TV series *The Twilight Zone*, Beaumont was at work on a fourth collection, *A Touch of the Creature*, at the end of his life. Ranging in tone from the eerie and unsettling *The Indian Piper* and *Time and Again* to the offbeat and humorous *Adam's Off Ox* and *The Junemoon Spoon*, these stories reveal previously unknown sides to this talented writer and will not disappoint any fan of Beaumont's work. This edition includes all fourteen tales from the limited hardcover edition published in 2000 by Subterranean Press, along with three additional never-before-seen stories, and features a new introduction by award-winning editor Roger Anker. I read it with emotions ranging from startlement to awe . It's a journey worth taking. - Richard Matheson
